Different Dream Parenting shows parents how to ask questions and conduct research so they can unearth local resources and those that are available at hospitals, medical facilities, government agencies, private organizations, businesses, schools, churches, and. Not to say anything is wrong with that but for us and where we are right now it is not something that we need.

Addressing a variety of situations and providing tools to help you work through. While she works as a psychologist in her other life, she would like to make it clear that she is in no way intending to offer medical or mental health advice through this venue. She has also contributed to 11 other books, dozens of magazines, and been on radio broadcasts aired in nearly every US state. Your thoughts—how rare, how beautiful God. A Different Dream for My Child. Media Choices.
