Alles nur ein Zufall? Here Wolfram seems to be making the kind of condescending gesture noted earlier: Christianity remains the superior religion; Wolfram is merely willing to overlook religious differences temporarily in the name of blood relations, or, to put it more strongly, Wolfram posits an omnivorous sort of Christianity that can swallow up heathendom into a universal brotherhood that effaces difference through a seemingly benevolent gesture. Large areas of the world, including most of Asia, Africa, and the Americas, find no place in his narrative, not because he is unaware of their existence, but because they lack world-historical significance from Bossuet's perspective as a French Catholic at the royal court.
