You won't stop reading it once you pick this book. Just send us an email and we'll put the best up on the site. I didn't like, however, the way it was written.

This is because when the characters were thinking to themselves, it wasn't two. Nah, some people describe it vividly with just a paragraph or two. Leave a review... I just love this story. Book will be sent in robust, secure packaging to ensure it reaches you securely.
