Unfavourable conditions, a lack of financing mechanisms, a  
skills shortage and the inequitable distribution of financial,  
institutional and human resources are resulting in  
under-financing, inadequate management and poor services,  
especially in the state-run health and education systems.  
Felicity Hwee-Hwa Chan, It also provides links to other  
selected websites and comments describing .

Kliemeetal.Greeley,andJ. In addition, observers noted the  
number of children and teachers present during each cycle.  
Duration of Preschool Attendance and Morphological Skills We  
expected longer preschool attendance to be positively related  
to morphological skills, at least for DLLs, and we found a  
positive significant effect for all children.
