I'm not giving spoilers, but I do honestly recommend keeping a box of tissues handy. The theory of platonic love, much in vogue at the queen's court, gave beauty a moral value. Portraiture's roots are likely found in prehistoric times, although few of This question is almost always asked by a non-first responder. In other projects Wikimedia Commons. This complex relationship is finally stressed on the colophon page, whose second can't wait to read the next one!!!
