What was questionable about that? A cute story, though it seemed I should have known the back stories of some of the characters. Only the fact that her gown is recognized by an older couple as having once belonged to their daughter who had been missing and presumed dead for decades.

The setting is in London, Fiction Romance Historical Fiction. Pausing for a moment, he looked out at the garden. When his father had stopped fighting for his life, it had not taken long before his sister Louise had married and removed herself to her new home. The Genuine Article.
