The volume succeeds by being high level and methodical without skimping on specificity and plenty of interesting examples. The uninterrupted flow of the prose-poem form becomes a stream of consciousness that blurs the distinction between interior and exterior perception, as if the world that moves by outside the train window continues to move in her mind when the poet closes her eyes. The South Asians, representing My Little Book of Poems civilization more reconciled to the moist dark than ours, merged with ghostly Cherokees or Crows far down in our psyche.
